

This is what the Saint Mary Family & School Organization is all about!

*Membership in the Saint Mary Family & School Organization (FSO) means helping support important programs with Saint Mary School which directly and indirectly benefit all the students. (And you get a school directory!)

*Your level of participation is your choice--your membership dues and participation in fundraisers help financially, while whatever amount of time you are able to offer to volunteer for various committees helps actively.

*Regardless of how you are able to participate, every student of Saint Mary School benefits from your membership in the FSO!

What does the FSO do?

- Fund and support programs in the school that otherwise might not be a part of the Saint Mary School experience.
- Establish a resource of volunteers for many school activities and projects.
- Provide funding for school and teacher needs beyond what the school budget provides.

How does the FSO do all that?

- FSO programs are funded financially through membership dues, fundraising donations, and profits from several fundraisers throughout the year.
- Many members of the FSO are able to offer additional support to the FSO programs by volunteering.
- Opportunities to volunteer are plenty and at various levels of commitment: one time or ongoing!
