Lunch service w/Quest is done with our pre-ordering software; HOTLUNCHES.NET. The system will allow you to select from a variety of healthy options each day. These options include our daily special, wrap or sub sandwich that include fresh fruit.

The ordering system is simple and easy to use. To set up your student's account go to <https://stmarybg.hotlunches.net>. You and your student can easily access the menus, decide which days to order and make payment.

All users must register once each year with an account, for returning users balances will automatically rollover.

The two methods of payment are accepted:

- 1) Online at via PayPal @ www.stmarybg.hotlunches.net
- 2) Send in a check made out to Quest FMS to the school office.

Payments are due immediately after being placed and all lunches must be paid in full prior to placing orders for the next lunch cycle. Payments need to be received by deadline or orders will be cancelled.
