

St. Mary Women's Club Information

The St. Mary Women's Club supports our parish and our community while offering a social environment to its members. Our guilds focus on different service projects that benefit our church and local charitable institutions.

St. Anne's guild provides religious materials to prison ministries.

St. Monica's guild has monthly luncheons and supports the parish with Oplatki sales.

St. Catherine-Mary's guild is for mothers of school-age children.

St. Lydia's guild attends monthly dinners, provides dinners at PADS twice a year, supports the USO with breakfast and treats annually and sponsors a family at Christmas.

St. Bridget's guild provides support for mothers of high school and college students and young adults.

We have committees that provide assistance at the Parish Picnic, the Anniversary Mass, the annual Coat Drive, the Christmas Giving Tree, Meals on Wheels, a Meatless Meal during Lent and the Garden Club.

The mission of the St. Mary Women's Club is to promote community for all women of Saint Mary Parish through spiritual growth, opportunities, service projects, social events, and intellectual programs.

We focus on the benefits of *Charity, Religion, Education and Welfare* as we serve our parish.

Our next general meeting is on Tuesday, September 12th, immediately following Mass at 6:30 pm in the Chapel. We will meet in the school lunchroom.

Please join us! We welcome all newcomers!
