February 9th, 2017

Dear Parents,

Re-enrollment forms are coming in rapidly, we want to thank you for your continued support of Saint Mary School. Your partnership is appreciated and integral to the success of our learning community. As we have started to receive teacher/classroom requests for SY 2017-2018, I'd like to share information with you regarding how classroom placement is determined.

As a two-stream school (two classrooms per grade), we follow a sound process for building classroom communities. This process includes looking at academic achievement, behavioral disposition, gender, emotional needs, and individual circumstances. The teachers articulate with their grade level partner to build classes for the upcoming school year. This process is intentional and filled with thoughtful consideration and prayer. We are unable to accept teacher or friendship requests for the upcoming school year, but can assure you that your child's needs are at the forefront of our minds as we build classrooms for the upcoming school year. We appreciate your trust and hope you have confidence that our process is conducted in your child's best interest. Thank you for your understanding and support.

Nikki Raftery

Principal

2008 & 2014
National Blue Ribbon
School of Excellence
