

Jay's Camp, run by Jay and Sherry Silverman, is truly a family. Every child and parent gets the full attention they deserve. Our programs are renowned in the North Shore suburbs of Chicago for more than 32 years, for encouraging individuality and stimulating young minds in a safe, nurturing atmosphere.

We create exciting summer adventures and amazing camp memories that kids treasure for a lifetime.

Jay has been involved in camping for nearly 50 years, and a teacher for 20 years. His own experiences with a counselor who made a spectacular impact on his childhood ignited his dream to nurture the same type of enthusiasm, character

and self-confidence in other children. He applies those lessons every day with your children, and through his tremendous, inspired staff. Jay treasures the opportunity to know every camper by name, and make sure that every summer day is creative, interactive, and jam-packed with laughter and fun.

Jay's Camp is located on 12 acres of beautiful, private grounds, in Long Grove, and hosts campers from across the north shore and northern suburbs, including: Long Grove, Deefield, Highland Park, Lincolnshire, Glenview, Northbrook, Vernon Hills, Buffalo Grove, Gurnee, Lake Forest, Wilmette and many other suburbs.
