

Saint Mary School Board Openings

Saint Mary School Board is looking for 2-3 individuals to replace exiting board members. The school board is made up of school parents as well as individuals that currently do NOT have a child enrolled in the school. If you have ever wanted to be part of a collaborative group, this is your opportunity!

Who are the school board members? They are volunteers from within the parish who want to contribute and help the school thrive. School board members act as advisors to the principal and pastor. New school board members will be appointed within the month of June, 2017. School board members serve a three-year term which is eligible for renewal. New member terms will begin in August, at the start of the 2017-18 school year.

If you are interested in learning more about the available positions please contact Teresa Li, board president, at schoolboard@stmarybg.org or contact any school board member. A list of active board members is on the last page of the bulletin.
