### Principal Search Update

The Search Committee has been reviewing resumes and application materials and has had preliminary discussions with several candidates, all of whom are very well qualified and have a strong interest in St. Mary School.

Before applicants can formally interview, they must be vetted by the Archdiocese of Chicago Office of Catholic Schools, which ensures a thorough review of background and qualifications. As they are approved, the Search Committee will begin interviewing the top candidates.

Interviews are scheduled for this week and next, with additional interviews right after spring break. During the interviews, the Search Committee will strongly consider fit with our school, paying close attention to the desired characteristics identified by our teachers during a feedback committee meeting.

We hope to have the next Principal selected shortly after the interviews take place and look forward to introducing him or her to the community at a "Meet the Principal" event before the end of the school year.
