

SUMMER TUTORING

2017

We will provide a summer work packet to help students maintain the skills that they have developed over the course of the school year, but we know that additional support and practice over the summer can be a good way for some students to continue to grow.

This is the list, outlining which Saint Mary teacher are available for tutoring over the summer. If you would like to pursue tutoring or enrichment for your child, please contact the teacher directly to discuss times, dates and costs.
